English for Academic Purposes Certificate & Pathway

The English for Academic Purposes Program (EAP) is designed for intermediate to advanced English students who want to develop their academic reading, writing, speaking, and listening skills in pursuing higher education. The English for Academic Purposes program is divided into 4 levels: 4 (Elementary)5 (Intermediate), 6 (Upper-intermediate), and 7 (Advanced). Each level runs for 8 weeks. Students will enter into the appropriate level based on their entrance English placement test results. During the program, regular tests will be conducted to ensure students' understanding of the materials and progress to the next level.

Pathway

Lakeland College is a publicly funded post-secondary college in Alberta, Canada, with campuses in Vermilion and Lloydminster.

After a partnership agreement between the governments of Alberta and Saskatchewan in 1975. Lakeland College became Canada's only inter-provincial college serving residents of both provinces. The city of Lloydminster also straddles the Alberta-Saskatchewan border. Lakeland is a member of Colleges and Institutes Canada (CICAN) and the Alberta Rural Development Network.

Students who have successfully completed level 7 of the English for Academic Purposes (EAP) program at Create Career College will be eligible for admission to Lakeland College without having to provide IELTS or any other English test results for their admissions.

We Offer

Create Career College is partnering with Lakeland College in Alberta. Students successfully completed level 7 of the English for Academic Purposes Program can directly enroll in Lakeland College's academic programs.
